

HINDU UNIVERSITY  
OF AMERICA

"Experience is the only teacher we have. We may talk and reason all our lives, but we shall not understand a word of truth until we experience it ourselves"

**Swami Vivekananda**

## STUDY ABROAD PROGRAM

**Discover  
LIFE by  
Exploring  
India**

# Introduction

Discover life by Exploring India is a unique study abroad program that offers an authentic, transformative and enriching experience. This program is aimed at students of the Hindu University of America and all people who are curious to participate in a journey of self-reflection on how we can live with a sense of universal responsibility.

We will take advantage of the stimuli provided by the social, historical and cultural scenarios of India, so that you discover, from your own creative process, the possibilities of connecting with life in a more holistic way, independently of your vocational area.

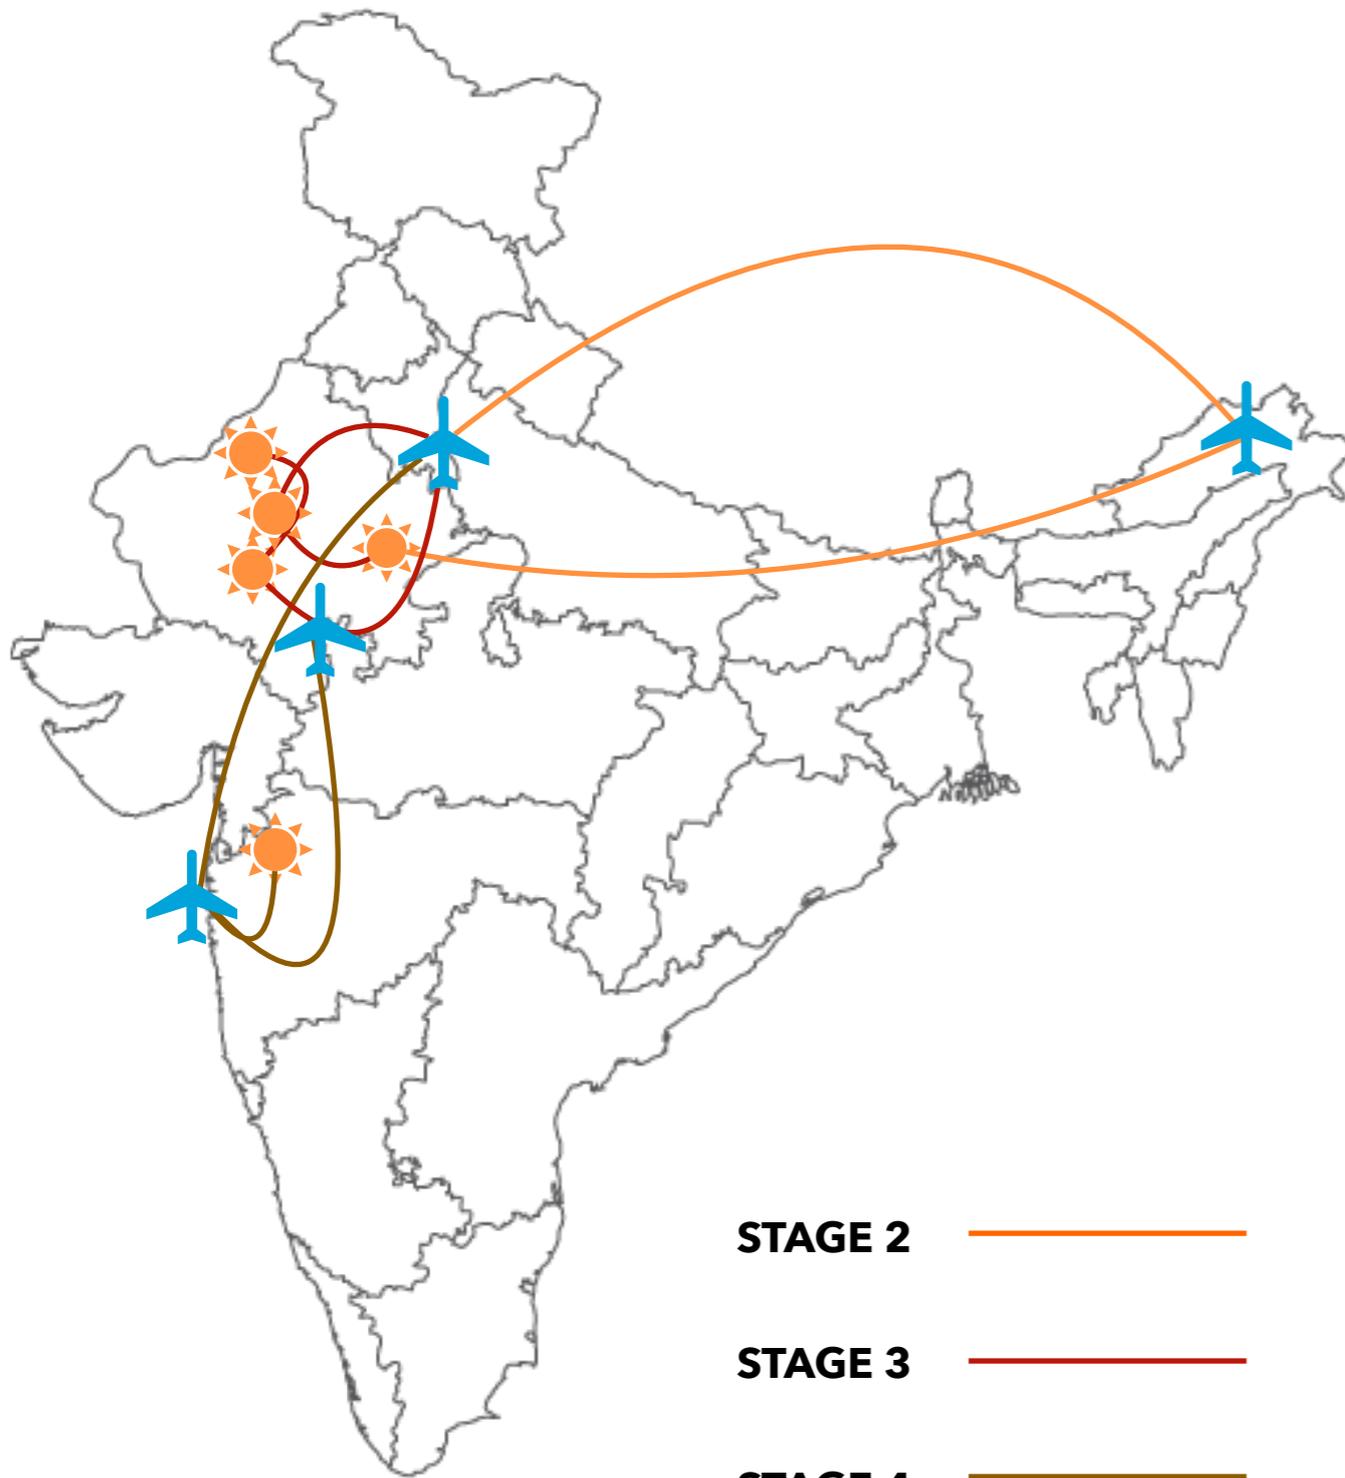

The level of clarity you will have at the end of the journey will depend to a large extent on your efforts and willingness to synchronize with the present well-being of the human family and the living world in all its breadth.

**We invite you to embark in this fascinating journey with a deep sense of celebration and gratitude for life**

# Itinerary

**STAGE 2** ———

**STAGE 3** ———

**STAGE 4** ———

This travel route has been studied, tested and structured in such a way that it proposes an organic rhythm and intensity, allowing you to gradually discover the beauty and importance of living in a state of integration.

The sequence of each destination and the activities that are part of the itinerary, correspond to a specific area of study, which will provide you with a complete exploration of your inner being in connection with the mystical and rich culture of India.

**May this travel route help you to reconsider your values and ways of appreciating life**

SECOND STAGE - TRIBAL COMMUNITIES

FOURTH STAGE - YOGA & AYURVEDA LIFESTYLE PROGRAM

THIRD STAGE - CULTURE & ADVENTURE

# Academic Program

All students will have to complete a piece of independent writing in order to gain the credits and/or receive the certificate.

**A dissertation of 3,000 words shall be delivered 1 month after the journey is completed.**

**For HUA students:** HUA offers 6-Credits as an option to complete your academic courses beyond their self-paced online courses. The Study Abroad Program would help you to complete your university core courses, program core courses, elective courses or simply explore the content of the university that interests you the most.

**For other participants:** At the end of the trip and after presenting final paper you will obtain a certificate provided by the Hindu University of America. Studying while on a trip to India is an excellent option for those who wish to have an educational experience abroad.

# Program's Outcomes

All participants will be provided with an in-depth experience on some of the key areas of research in India. You will gain analytical skills necessary to comprehend and identify creative solutions for global challenges, as well as to pursue research in their own fields of intellectual interest.

## **BY THE END OF THE PROGRAM STUDENTS WOULD HAVE GAINED:**

- Full exploration of the different aspects of the self and various modalities of relationship with the environment
- Complete look at the potential and scope of ancient traditions in the self-creative processes to face the new challenges of modern life.
- Greater understanding of the history, culture and traditions of India.
- You can enrich or supplement your discipline or in which you have a special interest outside of your regular course of study.
- As an HUA student, you can earn additional academic credits during your studies.
- You can earn additional academic credits during your studies.
